Dr. C. A. Elvehjem  
Bascom Hall

Dear Connie

As I am sure is no news to you, I have just concluded a very satisfactory agreement with Dean Alway of Stanford University. I will submit a formal letter of resignation effective next April or next July through Deans Froher and Bowers after I have received written advice from Stanford confirming our telephone conversations; there can hardly be any doubt of the followup and I thought you would want this informal notice meanwhile.

Yours sincerely,

Joshua Lederberg
